## LIGHTING

### 1. Drylight Led White

2. Drylight Led RGB-W: Drylight incorpora un sistema LED RGB-W ingegnerizzato per rispondere alle esigenze di affidabilità e robustezza. Utilizza una soluzione brevettata che consente di realizzare infiniti scenari di intensità e colore della luce.

### 1. Drylight Led White

2. Drylight Led RGB-W: Drylight incorporates a LED RGB-W system engineered to meet the needs for reliability and strength. It is equipped with a patented system that allows to create endless combinations of light intensity and colour.

## STANDARD ROD FOR ALL SUSPENSIONS

H 45 CM / 17.70"

## RGB-W CONTROL

Il sistema RGB-W Control è dotato di una centralina\* di controllo che consente di gestire tutte le funzioni in base alle esigenze dell'utilizzatore. Ogni dispositivo Drylight RGB-W può essere integrato nei sistemi domotici di qualsiasi abitazione gestiti con protocollo DMX.

Su richiesta è possibile fornire il dispositivo di uno di questi sistemi di gestione:

- Radiocomando:** ogni singolo dispositivo può essere controllato con un radiocomando. Su richiesta, un unico radiocomando può gestire più dispositivi diversi.
- App su smartphone o tablet:** Masiero ha sviluppato una App disponibile per sistemi IOS e Android che, con un'interfaccia semplice ed intuitiva, permette di gestire un numero infinito di dispositivi, contemporaneamente oppure singolarmente.

\* Centralina non inclusa

The control unit\* in the RGB-W Control system allows all functions to be managed according to the user's needs. Each Drylight RGB-W device can be integrated into any home automation system managed with the DMX protocol.

On request, the device can be provided with one of the following control systems:

- Radio control:** each individual device can be controlled via a radio remote control. On request, a single remote control can manage several different devices.
- App on your smartphone or tablet:** Masiero has developed an App for IOS and Android systems with a simple, intuitive interface to allow an infinite number of devices to be controlled together or individually.

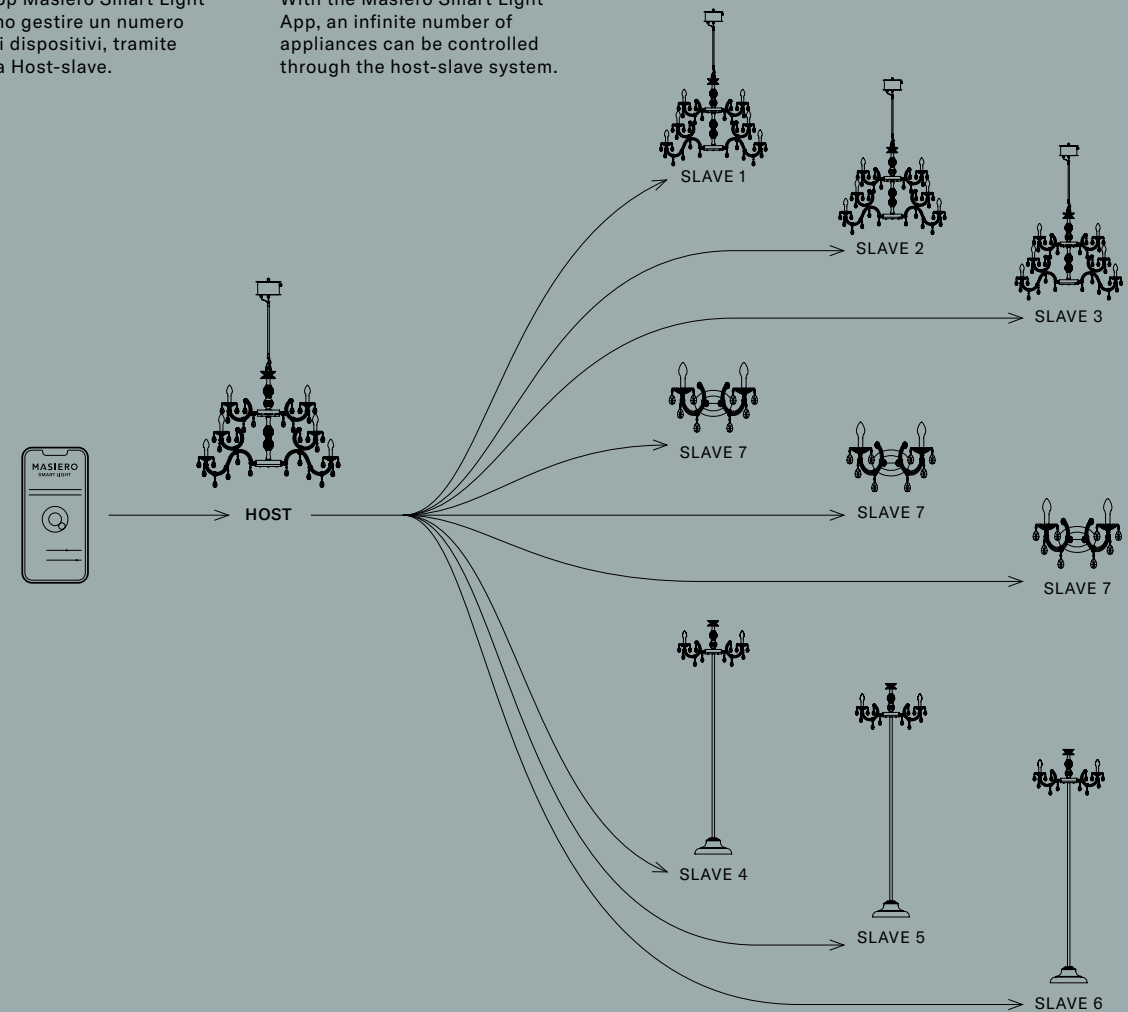

\* Control unit not included

## MASIERO SMART LIGHT APP

Con la App Masiero Smart Light si possono gestire un numero infinito di dispositivi, tramite il sistema Host-slave.

With the Masiero Smart Light App, an infinite number of appliances can be controlled through the host-slave system.

## CONDIZIONI COMMERCIALI DI MASIERO

### 1 – PREMESSA

Salvo deroga risultante da apposito accordo scritto tra le parti, ogni compravendita di prodotti di Masiero S.r.l., P.IVA 01244610265 (di seguito: “Masiero”) è regolata dalle seguenti Condizioni Generali di Vendita che costituiscono parte essenziale del contratto e che si intendono pertanto accettate dal Compratore ancorché dallo stesso non sottoscritte. Qualsiasi clausola unilateralmente apposta dal Compratore nei documenti da lui sottoscritti e/o nella sua corrispondenza, che sia contraria o comunque in aggiunta alle seguenti condizioni generali od a quelle speciali espressamente approvate per iscritto dal Venditore, si intende come non scritta ed è priva di ogni effetto.

### 2 – CONDIZIONI DI COMPRAVENDITA

#### 2.1 PERFEZIONAMENTO

La compravendita si intende perfezionata con la conferma d’ordine scritta del Venditore anche a mezzo fax e/o posta elettronica o con l’inizio delle consegne per i casi in cui è stata richiesta l’immediata consegna della fornitura anche in presenza di modifiche intervenute e quindi accettate dal cliente.

#### 2.2 PRODOTTI

Eventuali informazioni o dati sulle caratteristiche e/o specifiche tecniche dei prodotti contenute in deplians, listini prezzi, cataloghi e/o documenti similari, saranno vincolanti solo nella misura in cui, gli stessi, siano stati espressamente richiamati dal contratto. Il venditore si riserva il diritto di apportare ai prezzi o alle caratteristiche dei prodotti qualsiasi modifica che dovesse risultare necessaria ed opportuna

#### 2.3 PREZZI

I prezzi indicati si riferiscono sempre al singolo prodotto. La fornitura avviene sempre ai prezzi indicati nel Listino ed alle condizioni commerciali in vigore alla data della conferma d’ordine. Il listino prezzi pubblicato annualmente sostituisce es annulla qualsiasi listino precedente. I prezzi concordati si intendono per prodotti consegnati franco stabilimento del Venditore e non comprendono prestazioni ed oneri accessori (quali, a titolo esemplificativo, IVA, imballo speciale, spese di trasporto, di installazione e/o montaggi e così via). Il costo dell’imballaggio è compreso nel prezzo . Per eventuali imballaggi speciali si potrà provvedere solamente su espressa richiesta del Compratore e a sue spese.

#### 2.4 RISERVA DI PROPRIETÀ

Il Compratore acquista la proprietà della merce solo con il pagamento integrale del prezzo fatturato delle forniture ma ne assume i rischi dal momento della consegna.

### 3 - CONDIZIONI DI CONSEGNA

#### 3.1 CONSEGNA

La merce viene consegnata al Compratore presso lo stabilimento del Venditore o in altro sito dallo stesso indicato per iscritto.

#### 3.2 RISCHIO

Il trasferimento del rischio avviene con la consegna della stessa al primo vettore o al Compratore nelle ipotesi di ritiro della merce da quest’ultimo direttamente eseguita. La merce viaggia sempre a rischio esclusivo del Compratore anche quando il vettore dovesse essere scelto ed incaricato dal Venditore, essendo quest’ultimo liberato da ogni responsabilità con la consegna dei prodotti al vettore, che ad ogni effetto si intende eseguita a mani dallo stesso Compratore.

#### 3.3 TEMPI DI CONSEGNA

I termini di consegna pattuiti si intendono indicativi. In caso di ritardo nella consegna imputabile al Venditore per un periodo fino a 60 gg il Compratore non ha il diritto di rifiutare la fornitura, né di richiedere la risoluzione del contratto e/o il risarcimento di alcun danno. Se il ritardo nella consegna supera il termine di 60 gg il Compratore ha la facoltà di richiedere – con lettera raccomandata – l’annullamento dell’ordine e la restituzione degli anticipi eventualmente versati. Resta in ogni caso escluso qualsivoglia obbligo del Venditore di risarcimento danni diretti e/o indiretti di qualsiasi natura e per qualsiasi ragione, in dipendenza del ritardo ovvero della mancata esecuzione della fornitura.

#### 3.4 OBBLIGHI DEL COMPRATORE

Il Compratore è tenuto a prendere immediatamente in consegna i prodotti affidati dal Venditore al vettore, ovvero – se diversamente concordato – a puntualmente ritirarli presso lo stabilimento del Venditore alla data di comunicazione di merce pronta che potrà avvenire con ogni mezzo da parte del Venditore. Ove il Compratore ritardi il ritiro dei prodotti per un periodo superiore a 10 gg, oltre al pagamento del prezzo deve corrispondere al Venditore un adeguato compenso pari al 2% al giorno dell’importo fatturato per il magazzino degli stessi.

### 4 - CARATTERISTICHE E UTILIZZO DEI PRODOTTI

Salvo diverso ed espresso accordo scritto tra le parti, i parametri funzionali dei prodotti sono quelli espressi comunicati o comunque risultanti nei disegni e specifiche tecniche del Venditore se esistenti.

I livelli di qualità dei prodotti forniti sono quelli standard del Venditore, evidenziati nelle relative specifiche. E’ onere del Compratore individuare e comunicare al Venditore le condizioni di utilizzo dei prodotti prima della relativa definizione tecnica. In mancanza di indicazioni da parte del Compratore il Venditore considera condizioni di utilizzo quelle di prassi dallo stesso considerate o esplicitate nei propri disegni e documentazione tecnica.

### 5 - PRODOTTI SPECIALI

La realizzazione di prodotti speciali, con parametri funzionali, dimensionali, decorativi, elettrici, etc differenti rispetto a quanto riportato nelle schede tecniche di ogni prodotti, dovrà essere approvata da Masiero in relazione alla fattibilità e sarà soggetta a quotazione specifica. La realizzazione di piccole modifiche sulle parte decorativa (ovvero, in via del tutto esemplificativa, finitura dei telai, composizione della pendaglieria, etc) sarà soggetta ad una maggiorazione di prezzo pari all’8% rispetto al prezzo dell’articolo come indicato nel listino prezzi in vigore.

### 6 - GARANZIE

I prodotti forniti sono coperti da garanzia per difetti di materiale e/o fabbricazione per un periodo di 24 mesi dalla consegna.

Eventuali difettosità o non conformità dei prodotti devono essere segnalate dal Compratore per iscritto al Venditore – a pena di decadenza – entro e non oltre 8 gg dalla data di ricevimento della merce; eventuali difetti occulti devono essere segnalati dal Compratore per iscritto al Venditore – sempre a pena di decadenza- entro 8 gg dalla relativa scoperta.

Il Venditore sostituisce i prodotti resi in detto periodo di garanzia e riconosciuti difettosi per vizi d’origine ovvero in alternativa ed a sua scelta accredita al Compratore una somma pari al prezzo già fatturato dei prodotti stessi, restando espressamente escluso e rinunciato qualsiasi diverso diritto o pretesa del Compratore anche a titolo di risarcimento danni diretti e/o indiretti o di rimborso di costi dallo stesso sostenuti (quali, a titolo esemplificativo costo di riprese, di assistenza tecnica, di richiamo, ecc.).

La garanzia non opera ove i difetti rilevati siano imputabili a negligenza del Compratore e/o ad impiego dei prodotti non conforme con le informazioni e le spiegazioni in ogni caso fornite dal Venditore, alle prescrizioni tecniche, ad errata progettazione, applicazione, montaggio o fabbricazione delle strutture ove sono installati, ad errata manutenzione operata da personale non autorizzato, a pulizia impropria in quanto effettuata con modalità o materiali non idonei, ad errato magazzinaggio, movimentazione e trasporto, ad uso improprio od incauto, anche in caso di impianto elettrico e portata dello stesso non idonea, ovvero a circostanze che comunque non possono ricollegarsi a difettosità di produzione da parte del Venditore.

### 7 – CONDIZIONI DI PAGAMENTO

Il compratore deve effettuare i pagamenti normalmente con le modalità e nei termini precisati in fattura Salvo diverso accordo, eventuali spese o commissioni bancarie dovute in relazione al pagamento saranno a carico del Compratore.

Sui ritardati pagamenti decorreranno, di pieno diritto e senza necessità di costituzione in mora, gli interessi di cui al D.lgs. n. 231/2002.

In caso di ritardo dei pagamenti il Venditore ha diritto a sospendere immediatamente ogni fornitura, anche se dipendente da altri contratti con lo stesso Compratore. Il mancato pagamento nei termini pattuiti comporta in ogni caso la decadenza del Compratore dal beneficio del termine.

### 8 - FORZA MAGGIORE

Qualora il Venditore sia impossibilitato a rispettare il contratto per cause di forza maggiore o comunque indipendenti dalla sua volontà, i termini previsti per l’esecuzione della fornitura sono automaticamente prorogati per un periodo equivalente al perdurare degli effetti di tali cause. Qualora la causa impeditiva continui per più di 6 mesi entrambe le parti possono chiedere la risoluzione del contratto ed in tal caso il Venditore restituisce al Compratore gli anticipi eventualmente ricevuti, con esclusione di ogni e qualsiasi onere ulteriore a suo carico.

### 9 - CONTROVERSIE

Il foro esclusivamente competente sarà quello di Treviso con esplicita esclusione di ogni altro foro alternativamente competente, e la legge applicabile quella italiana.

### 10 - PRIVACY

Le parti contraenti, ai sensi del D.Lgs. 30 giugno 2003, n. 196, dichiarano di procedere al trattamento dei dati personali per le finalità inerenti all’esecuzione del presente contratto e all’adempimento degli obblighi legali e contrattuali dallo stesso derivanti.

## MASIERO SALES TERMS

### 1 – RECITAL

Unless otherwise provided for in a separate written agreement between the parties, every sale of products of MASIERO S.r.l., VAT 01244610265 (hereinafter, “Masiero”) is governed by the following General Conditions of Sale that must be considered as an essential part of this agreement and shall be deemed to have been accepted by the Buyer even though the latter has not signed them. Any clause unilaterally added by the Buyer in the documentation signed by it and/or in its correspondence, being against or in any case in addition to the general conditions or to those specific expressly approved in writing by the Seller, shall be deemed as not written and shall be of no effect.

### 2 – SELLING TERMS

#### 2.1 COMPLETION OF THE SALE

The sale is deemed to be completed once the Seller gives the written order confirmation also by fax and/or email or when deliveries are commenced in cases where the immediate delivery of the supply is requested, also in consideration of changes occurred and then accepted by the customer.

#### 2.2 PRODUCT CHARACTERISTICS

Any information or data on the characteristics and/or technical specifications of the products contained in leaflets, price lists, catalogues or similar documents shall be binding only to the extent that that data was expressly referred to within the contract. The Seller reserves the right at any time to remove and/or alter the products from what shown, or to make price alteration to the same.

#### 2.3 PRICES

The prices indicated always refer to the individual product. The supply always occurs at the price identified in the list and under the commercial terms in place at the date of the order confirmation.

The pricelist published annually replaces and cancels out any previous list.

The prices agreed are understood for products delivered ex works of the Seller and do not include services and accessory charges (such as VAT, special packaging, transport and installation costs, and/or assemblages and so on).

Packaging costs are included in the price; any special packaging requirements shall be met only at the express request of the buyer and at its expense.

#### 2.4 RESERVATION OF TITLE

The Buyer acquires property rights over the goods with the full payment of the price invoiced of the supplies but it takes the risks thereof as of the delivery.

### 3 – DELIVERY TERMS

#### 3.1 DELIVERY

Products are delivered to the Buyer at the Seller's plant or at another place indicated in writing by the Seller.

#### 3.2 RISK TRANSFER

the risk transfer takes place with the delivery of the goods to the first carrier or Buyer in the events of collection of goods directly carried out by the latter. The products always travel at the Buyer's sole risk also when the carrier is selected and appointed by the Seller, being the latter freed from all responsibilities after having delivered the products to the carrier, this delivery is deemed to all effects being carried out directly by the said Buyer.

#### 3.3 DELIVERY TERMS

The delivery terms agreed are to be understood as indicative. If the Seller is responsible for delay of delivery for a period of up to 60 days, the Buyer is not entitled either to refuse the supply or to request the termination of the agreement and/or the compensation for any damages.

If the delay in delivery exceeds 60 days, the Buyer is entitled to request – by registered letter- the cancellation of the order and the reimbursement of the advances if paid. In any event, the Seller shall not be liable for and/or direct and indirect damages of any nature and for any reason due to the delay or the failure to carry out the supply.

#### 3.4 BUYER'S OBLIGATIONS

The Buyer is required to immediately take delivery of the goods given by the Seller to the carrier, or – where otherwise agreed – to timely collect them at the Seller's plant on the date on which the Seller communicates, by any means, that the goods are ready.

Where the Buyer delays the collection of the goods for a period exceeding 10 days, in addition to the payment of price it shall pay the Seller a proper compensation equal to 2%per day of the price invoiced for storing such products.

### 4 - PRODUCTS FEATURES AND CONDITION OF USE

Unless otherwise expressly agreed in writing by the parties, the conditions for using of the products are those communicated or in any case resulting from the drawings and technical specifications of the Seller, if any. The quality levels of products are the standard quality levels of the Sellers, indicated in the relevant specifications. It is always the Buyer's responsibility to identify and notify the Seller of the

conditions of use of products before technically defining them. Failing any particular instructions from the Buyer, the Seller considers as usual conditions of use those it considered or described in its designs and technical documentation.

### 5 - CUSTOMIZED PRODUCTS

The production of special items, with functional, dimensional, decorative, and electrical features that are different from what indicated in the product technical sheet, must be approved by Masiero.

The approval will depend on product feasibility and shall entail a specific quotation.

An 8% surcharge shall be charged for changes to the decorative parts of the products (such as frame finishing, composition of pendant trimmings, etc.).

### 6 - WARRANTIES

The products delivered are covered by a warranty for defects in material and manufacture for a period of 24 months as of the delivery.

Any defectiveness or non-compliance of products shall be reported by the Buyer by writing to the Seller – in order to be valid – within 8 days from receipt of goods; any hidden defects shall be reported by the Buyer by writing to the Seller – always in order to be valid - within 8 days as of the relevant discovery.

The Seller shall replace the products delivered in this warranty period being faulty due to factory defects or in alternative, at its discretion, pay the Buyer an amount equal to the price already invoiced of the said products, being expressly excluded and waived any other right or claim by the Buyer also as compensation for direct and/or indirect damages or cost repayment borne by it (such as recovery, technical assistance, recalling costs, etc.).

The warranty does not apply where the defects identified are due to the Buyer's negligence and/or to the use of products being not compliant with the information and explanations in any case gave by the Seller, technical provisions, to incorrect design, application, assembly or manufacture of the facilities in which they are installed, to incorrect maintenance carried out by unauthorized personnel, to improper cleaning since it is made with materials and manners being not suitable, to incorrect storage, handling and transport, to improper or imprudent use, also in the event of electrical system and its capacity being not suitable, or to circumstances that in any case cannot be related to the production defectiveness by the Seller.

### 7 – PAYMENT CONDITIONS

The Buyer shall carry out the payments normally, in accordance with the terms and conditions specified in the invoice. Any bank charges or fees owed in relation to the payment shall be borne by the Buyer.

For late payments it will be accrued by default without need of further notification interest under Legislative Decree no. 231/2002.

In the event of payment delays, the Seller is entitled to immediately suspend any supply, even though it has concluded other agreements with the same Buyer. The failure to pay within the terms agreed will cause in any event the loss of favourable terms for the Buyer.

### 8 - FORCE MAJEURE

If the Seller is unable to comply with the agreement due to force majeure or beyond its control events, the deadlines set for the supply are automatically extended for a period in which these effects continue. Where the obstacle to comply with the agreement is longer than 6 months, both parties may request the termination of the agreement and, in such event, the Seller repay the Buyer the advances received, if any, releasing itself from any additional obligation on it.

### 9 - DISPUTES

The Court of Treviso shall be held exclusively competent, being any other court of competent jurisdiction expressly excluded, and the Italian Law shall be applicable.

### 10 - PRIVACY

Contracting parties, pursuant to D.Lgs. 30 giugno 2003, n.196, will process personal data for purposes related to the implementation of this contract and to the fulfillment of resulting legal and commercial obligations.

## CONDIZIONI COMMERCIALI DI MASIERO

### 1 – PREMESSA

Salvo deroga risultante da apposito accordo scritto tra le parti, ogni compravendita di prodotti di Masiero S.r.l., P.IVA 01244610265 (di seguito: “Masiero”) è regolata dalle seguenti Condizioni Generali di Vendita che costituiscono parte essenziale del contratto e che si intendono pertanto accettate dal Compratore ancorché dallo stesso non sottoscritte. Qualsiasi clausola unilateralmente apposta dal Compratore nei documenti da lui sottoscritti e/o nella sua corrispondenza, che sia contraria o comunque in aggiunta alle seguenti condizioni generali od a quelle speciali espressamente approvate per iscritto dal Venditore, si intende come non scritta ed è priva di ogni effetto.

### 2 – CONDIZIONI DI COMPRAVENDITA

#### 2.1 PERFEZIONAMENTO

La compravendita si intende perfezionata con la conferma d’ordine scritta del Venditore anche a mezzo fax e/o posta elettronica o con l’inizio delle consegne per i casi in cui è stata richiesta l’immediata consegna della fornitura anche in presenza di modifiche intervenute e quindi accettate dal cliente.

#### 2.2 PRODOTTI

Eventuali informazioni o dati sulle caratteristiche e/o specifiche tecniche dei prodotti contenute in deplians, listini prezzi, cataloghi e/o documenti similari, saranno vincolanti solo nella misura in cui, gli stessi, siano stati espressamente richiamati dal contratto. Il venditore si riserva il diritto di apportare ai prezzi o alle caratteristiche dei prodotti qualsiasi modifica che dovesse risultare necessaria ed opportuna

#### 2.3 PREZZI

I prezzi indicati si riferiscono sempre al singolo prodotto. La fornitura avviene sempre ai prezzi indicati nel Listino ed alle condizioni commerciali in vigore alla data della conferma d’ordine. Il listino prezzi pubblicato annualmente sostituisce es annulla qualsiasi listino precedente. I prezzi concordati si intendono per prodotti consegnati franco stabilimento del Venditore e non comprendono prestazioni ed oneri accessori (quali, a titolo esemplificativo, IVA, imballo speciale, spese di trasporto, di installazione e/o montaggi e così via). Il costo dell’imballaggio è compreso nel prezzo . Per eventuali imballaggi speciali si potrà provvedere solamente su espressa richiesta del Compratore e a sue spese.

#### 2.4 RISERVA DI PROPRIETÀ

Il Compratore acquista la proprietà della merce solo con il pagamento integrale del prezzo fatturato delle forniture ma ne assume i rischi dal momento della consegna.

### 3 - CONDIZIONI DI CONSEGNA

#### 3.1 CONSEGNA

La merce viene consegnata al Compratore presso lo stabilimento del Venditore o in altro sito dallo stesso indicato per iscritto.

#### 3.2 RISCHIO

Il trasferimento del rischio avviene con la consegna della stessa al primo vettore o al Compratore nelle ipotesi di ritiro della merce da quest’ultimo direttamente eseguita. La merce viaggia sempre a rischio esclusivo del Compratore anche quando il vettore dovesse essere scelto ed incaricato dal Venditore, essendo quest’ultimo liberato da ogni responsabilità con la consegna dei prodotti al vettore, che ad ogni effetto si intende eseguita a mani dallo stesso Compratore.

#### 3.3 TEMPI DI CONSEGNA

I termini di consegna pattuiti si intendono indicativi. In caso di ritardo nella consegna imputabile al Venditore per un periodo fino a 60 gg il Compratore non ha il diritto di rifiutare la fornitura, né di richiedere la risoluzione del contratto e/o il risarcimento di alcun danno. Se il ritardo nella consegna supera il termine di 60 gg il Compratore ha la facoltà di richiedere – con lettera raccomandata – l’annullamento dell’ordine e la restituzione degli anticipi eventualmente versati. Resta in ogni caso escluso qualsivoglia obbligo del Venditore di risarcimento danni diretti e/o indiretti di qualsiasi natura e per qualsiasi ragione, in dipendenza del ritardo ovvero della mancata esecuzione della fornitura.

#### 3.4 OBBLIGHI DEL COMPRATORE

Il Compratore è tenuto a prendere immediatamente in consegna i prodotti affidati dal Venditore al vettore, ovvero – se diversamente concordato – a puntualmente ritirarli presso lo stabilimento del Venditore alla data di comunicazione di merce pronta che potrà avvenire con ogni mezzo da parte del Venditore. Ove il Compratore ritardi il ritiro dei prodotti per un periodo superiore a 10 gg, oltre al pagamento del prezzo deve corrispondere al Venditore un adeguato compenso pari al 2% al giorno dell’importo fatturato per il magazzino degli stessi.

### 4 - CARATTERISTICHE E UTILIZZO DEI PRODOTTI

Salvo diverso ed espresso accordo scritto tra le parti, i parametri funzionali dei prodotti sono quelli espressi comunicati o comunque risultanti nei disegni e specifiche tecniche del Venditore se esistenti.

I livelli di qualità dei prodotti forniti sono quelli standard del Venditore, evidenziati nelle relative specifiche. E’ onere del Compratore individuare e comunicare al Venditore le condizioni di utilizzo dei prodotti prima della relativa definizione tecnica. In mancanza di indicazioni da parte del Compratore il Venditore considera condizioni di utilizzo quelle di prassi dallo stesso considerate o esplicitate nei propri disegni e documentazione tecnica.

### 5 - PRODOTTI SPECIALI

La realizzazione di prodotti speciali, con parametri funzionali, dimensionali, decorativi, elettrici, etc differenti rispetto a quanto riportato nelle schede tecniche di ogni prodotti, dovrà essere approvata da Masiero in relazione alla fattibilità e sarà soggetta a quotazione specifica. La realizzazione di piccole modifiche sulle parte decorativa (ovvero, in via del tutto esemplificativa, finitura dei telai, composizione della pendaglieria, etc) sarà soggetta ad una maggiorazione di prezzo pari all’8% rispetto al prezzo dell’articolo come indicato nel listino prezzi in vigore.

### 6 - GARANZIE

I prodotti forniti sono coperti da garanzia per difetti di materiale e/o fabbricazione per un periodo di 24 mesi dalla consegna.

Eventuali difettosità o non conformità dei prodotti devono essere segnalate dal Compratore per iscritto al Venditore – a pena di decadenza – entro e non oltre 8 gg dalla data di ricevimento della merce; eventuali difetti occulti devono essere segnalati dal Compratore per iscritto al Venditore – sempre a pena di decadenza- entro 8 gg dalla relativa scoperta.

Il Venditore sostituisce i prodotti resi in detto periodo di garanzia e riconosciuti difettosi per vizi d’origine ovvero in alternativa ed a sua scelta accredita al Compratore una somma pari al prezzo già fatturato dei prodotti stessi, restando espressamente escluso e rinunciato qualsiasi diverso diritto o pretesa del Compratore anche a titolo di risarcimento danni diretti e/o indiretti o di rimborso di costi dallo stesso sostenuti (quali, a titolo esemplificativo costo di riprese, di assistenza tecnica, di richiamo, ecc.).

La garanzia non opera ove i difetti rilevati siano imputabili a negligenza del Compratore e/o ad impiego dei prodotti non conforme con le informazioni e le spiegazioni in ogni caso fornite dal Venditore, alle prescrizioni tecniche, ad errata progettazione, applicazione, montaggio o fabbricazione delle strutture ove sono installati, ad errata manutenzione operata da personale non autorizzato, a pulizia impropria in quanto effettuata con modalità o materiali non idonei, ad errato magazzinaggio, movimentazione e trasporto, ad uso improprio od incauto, anche in caso di impianto elettrico e portata dello stesso non idonea, ovvero a circostanze che comunque non possono ricollegarsi a difettosità di produzione da parte del Venditore.

### 7 – CONDIZIONI DI PAGAMENTO

Il compratore deve effettuare i pagamenti normalmente con le modalità e nei termini precisati in fattura Salvo diverso accordo, eventuali spese o commissioni bancarie dovute in relazione al pagamento saranno a carico del Compratore.

Sui ritardati pagamenti decorreranno, di pieno diritto e senza necessità di costituzione in mora, gli interessi di cui al D.lgs. n. 231/2002.

In caso di ritardo dei pagamenti il Venditore ha diritto a sospendere immediatamente ogni fornitura, anche se dipendente da altri contratti con lo stesso Compratore. Il mancato pagamento nei termini pattuiti comporta in ogni caso la decadenza del Compratore dal beneficio del termine.

### 8 - FORZA MAGGIORE

Qualora il Venditore sia impossibilitato a rispettare il contratto per cause di forza maggiore o comunque indipendenti dalla sua volontà, i termini previsti per l’esecuzione della fornitura sono automaticamente prorogati per un periodo equivalente al perdurare degli effetti di tali cause. Qualora la causa impeditiva continui per più di 6 mesi entrambe le parti possono chiedere la risoluzione del contratto ed in tal caso il Venditore restituisce al Compratore gli anticipi eventualmente ricevuti, con esclusione di ogni e qualsiasi onere ulteriore a suo carico.

### 9 - CONTROVERSIE

Il foro esclusivamente competente sarà quello di Treviso con esplicita esclusione di ogni altro foro alternativamente competente, e la legge applicabile quella italiana.

### 10 - PRIVACY

Le parti contraenti, ai sensi del D.Lgs. 30 giugno 2003, n. 196, dichiarano di procedere al trattamento dei dati personali per le finalità inerenti all’esecuzione del presente contratto e all’adempimento degli obblighi legali e contrattuali dallo stesso derivanti.

## MASIERO SALES TERMS

### 1 – RECITAL

Unless otherwise provided for in a separate written agreement between the parties, every sale of products of MASIERO S.r.l., VAT 01244610265 (hereinafter, “Masiero”) is governed by the following General Conditions of Sale that must be considered as an essential part of this agreement and shall be deemed to have been accepted by the Buyer even though the latter has not signed them. Any clause unilaterally added by the Buyer in the documentation signed by it and/or in its correspondence, being against or in any case in addition to the general conditions or to those specific expressly approved in writing by the Seller, shall be deemed as not written and shall be of no effect.

### 2 – SELLING TERMS

#### 2.1 COMPLETION OF THE SALE

The sale is deemed to be completed once the Seller gives the written order confirmation also by fax and/or email or when deliveries are commenced in cases where the immediate delivery of the supply is requested, also in consideration of changes occurred and then accepted by the customer.

#### 2.2 PRODUCT CHARACTERISTICS

Any information or data on the characteristics and/or technical specifications of the products contained in leaflets, price lists, catalogues or similar documents shall be binding only to the extent that that data was expressly referred to within the contract. The Seller reserves the right at any time to remove and/or alter the products from what shown, or to make price alteration to the same.

#### 2.3 PRICES

The prices indicated always refer to the individual product. The supply always occurs at the price identified in the list and under the commercial terms in place at the date of the order confirmation.

The pricelist published annually replaces and cancels out any previous list.

The prices agreed are understood for products delivered ex works of the Seller and do not include services and accessory charges (such as VAT, special packaging, transport and installation costs, and/or assemblages and so on).

Packaging costs are included in the price; any special packaging requirements shall be met only at the express request of the buyer and at its expense.

#### 2.4 RESERVATION OF TITLE

The Buyer acquires property rights over the goods with the full payment of the price invoiced of the supplies but it takes the risks thereof as of the delivery.

### 3 – DELIVERY TERMS

#### 3.1 DELIVERY

Products are delivered to the Buyer at the Seller's plant or at another place indicated in writing by the Seller.

#### 3.2 RISK TRANSFER

the risk transfer takes place with the delivery of the goods to the first carrier or Buyer in the events of collection of goods directly carried out by the latter. The products always travel at the Buyer's sole risk also when the carrier is selected and appointed by the Seller, being the latter freed from all responsibilities after having delivered the products to the carrier, this delivery is deemed to all effects being carried out directly by the said Buyer.

#### 3.3 DELIVERY TERMS

The delivery terms agreed are to be understood as indicative. If the Seller is responsible for delay of delivery for a period of up to 60 days, the Buyer is not entitled either to refuse the supply or to request the termination of the agreement and/or the compensation for any damages.

If the delay in delivery exceeds 60 days, the Buyer is entitled to request – by registered letter- the cancellation of the order and the reimbursement of the advances if paid. In any event, the Seller shall not be liable for and/or direct and indirect damages of any nature and for any reason due to the delay or the failure to carry out the supply.

#### 3.4 BUYER'S OBLIGATIONS

The Buyer is required to immediately take delivery of the goods given by the Seller to the carrier, or – where otherwise agreed – to timely collect them at the Seller's plant on the date on which the Seller communicates, by any means, that the goods are ready.

Where the Buyer delays the collection of the goods for a period exceeding 10 days, in addition to the payment of price it shall pay the Seller a proper compensation equal to 2%per day of the price invoiced for storing such products.

### 4 - PRODUCTS FEATURES AND CONDITION OF USE

Unless otherwise expressly agreed in writing by the parties, the conditions for using of the products are those communicated or in any case resulting from the drawings and technical specifications of the Seller, if any. The quality levels of products are the standard quality levels of the Sellers, indicated in the relevant specifications. It is always the Buyer's responsibility to identify and notify the Seller of the

conditions of use of products before technically defining them. Failing any particular instructions from the Buyer, the Seller considers as usual conditions of use those it considered or described in its designs and technical documentation.

### 5 - CUSTOMIZED PRODUCTS

The production of special items, with functional, dimensional, decorative, and electrical features that are different from what indicated in the product technical sheet, must be approved by Masiero.

The approval will depend on product feasibility and shall entail a specific quotation.

An 8% surcharge shall be charged for changes to the decorative parts of the products (such as frame finishing, composition of pendant trimmings, etc.).

### 6 - WARRANTIES

The products delivered are covered by a warranty for defects in material and manufacture for a period of 24 months as of the delivery.

Any defectiveness or non-compliance of products shall be reported by the Buyer by writing to the Seller – in order to be valid – within 8 days from receipt of goods; any hidden defects shall be reported by the Buyer by writing to the Seller – always in order to be valid - within 8 days as of the relevant discovery.

The Seller shall replace the products delivered in this warranty period being faulty due to factory defects or in alternative, at its discretion, pay the Buyer an amount equal to the price already invoiced of the said products, being expressly excluded and waived any other right or claim by the Buyer also as compensation for direct and/or indirect damages or cost repayment borne by it (such as recovery, technical assistance, recalling costs, etc.).

The warranty does not apply where the defects identified are due to the Buyer's negligence and/or to the use of products being not compliant with the information and explanations in any case gave by the Seller, technical provisions, to incorrect design, application, assembly or manufacture of the facilities in which they are installed, to incorrect maintenance carried out by unauthorized personnel, to improper cleaning since it is made with materials and manners being not suitable, to incorrect storage, handling and transport, to improper or imprudent use, also in the event of electrical system and its capacity being not suitable, or to circumstances that in any case cannot be related to the production defectiveness by the Seller.

### 7 – PAYMENT CONDITIONS

The Buyer shall carry out the payments normally, in accordance with the terms and conditions specified in the invoice. Any bank charges or fees owed in relation to the payment shall be borne by the Buyer.

For late payments it will be accrued by default without need of further notification interest under Legislative Decree no. 231/2002.

In the event of payment delays, the Seller is entitled to immediately suspend any supply, even though it has concluded other agreements with the same Buyer. The failure to pay within the terms agreed will cause in any event the loss of favourable terms for the Buyer.

### 8 - FORCE MAJEURE

If the Seller is unable to comply with the agreement due to force majeure or beyond its control events, the deadlines set for the supply are automatically extended for a period in which these effects continue. Where the obstacle to comply with the agreement is longer than 6 months, both parties may request the termination of the agreement and, in such event, the Seller repay the Buyer the advances received, if any, releasing itself from any additional obligation on it.

### 9 - DISPUTES

The Court of Treviso shall be held exclusively competent, being any other court of competent jurisdiction expressly excluded, and the Italian Law shall be applicable.

### 10 - PRIVACY

Contracting parties, pursuant to D.Lgs. 30 giugno 2003, n.196, will process personal data for purposes related to the implementation of this contract and to the fulfillment of resulting legal and commercial obligations.

## CG\_COLOURED GLASS

- **Telaio in metallo** verniciato nella palette colori prestabilita
- **Braccia** ricoperte in vetro colorato nella palette colori prestabilita
- **Bobeches** in vetro colorato nella palette colori prestabilita
- **Pendagli** disponibili solo in vetro verniciato nella variante cromatica scelta
- **Illuminazione** tradizionale con portalampada attacco E14
- **Apparecchio** dimmerabile a taglio di fase
- **Paralumi** inclusi solo se presenti nella foto. Forma, tessuto e colore come nella foto.

- **Metal frame** in powder-coated finish in the pre-established colour palette
- Painted **glass arms** coverage in the pre-established colour palette
- **Arm's cups** in painted glass in the pre-established colour palette
- **Glass pendants** (Half Cut Glass) painted in the pre-established colour variations
- **Lighting** with bulbs with E14 lamp holder
- **Triac dimmable device**
- **Lampshades** included only when in the picture of the catalogue. Shape, fabric and colour as in the picture.

## DW\_DYNAMIC WHITE

- **Telaio in metallo** con finitura galvanica in colore cromo o oro
- **Braccia** ricoperte in vetro trasparente
- **Bobeches** in vetro trasparente
- **Pendagli** in colore trasparente nelle varianti Half Cut Glass, Cut Crystal e Premium Crystal
- **Illuminazione** con sorgenti a Led integrato con tecnologia brevettata nella versione Bianco Dinamico DW
- **Luce bianca** compresa tra 2700K e 6500K
- **Apparecchio** gestito con protocollo DMX
- **Disponibile su richiesta** Telecomando

- **Metal frame** in galvanic finish in gold or chrome colour
- Transparent **glass arms** coverage
- **Arm's cups** in transparent glass
- **Pendants** in transparent colour in the variations, Half Cut Glass, Cut Crystal, Premium Crystal
- **Lighting** with integrated LED sources (technology developed by Masiero) in the White Dynamic DW version
- **White light** between 2700K and 6500K
- **Device** managed with DMX protocol
- **Available on request** Radio Control

## RW\_RGB-W

- **Telaio in metallo** con finitura galvanica in colore cromo o oro
- **Braccia** ricoperte in vetro trasparente
- **Bobeches** in vetro trasparente
- **Pendagli** in colore trasparente nelle varianti Half Cut Glass, Cut Crystal e Premium Crystal
- **Illuminazione** con sorgenti a Led integrato con tecnologia brevettata nella versione RGB-W
- **Luce bianca** a 3000K
- **Apparecchio** gestito con protocollo DMX
- **Disponibile su richiesta** APP Masiero Smart Light o Telecomando

- **Metal frame** in galvanic finish in gold or chrome colour
- Transparent **glass arms** coverage
- **Arm's cups** in transparent glass
- **Pendants** in transparent colour in the variations, Half Cut Glass, Cut Crystal, Premium Crystal
- **Lighting** with integrated LED sources (technology developed by Masiero) in the RGB + White version
- **White light** at 3000K
- **Device** managed with DMX protocol
- **Available on request** APP Masiero Smart Light or Radio Control

# DYNAMIC WHITE CONTROL

Il sistema **DYNAMIC WHITE Control** è dotato di una centralina\* di controllo che consente di gestire tutte le funzioni in base alle esigenze dell'utilizzatore.

*The control unit\* in the **Dynamic White Control** system allows all functions to be managed according to the user's needs.*

# RGB-W CONTROL

Il sistema **RGB-W Control** è dotato di una centralina\* di controllo che consente di gestire tutte le funzioni in base alle esigenze dell'utilizzatore.

*The control unit\* in the **RGB-W Control** system allows all functions to be managed according to the user's needs.*

\*Centralina non inclusa  
Control unit not included

Ogni dispositivo **Maria Teresa** può essere integrato nei sistemi domotici di qualsiasi abitazione gestiti con **protocollo DMX**.

*Each **Maria Teresa** device can be integrated into any home automation system managed with the DMX protocol.*

Su richiesta è possibile fornire il dispositivo di uno di questi sistemi di gestione:

*On request, the device can be provided with one of the following control systems:*

• **RADIOCOMANDO:**

Ogni singolo dispositivo può essere controllato con un radiocomando.

Su richiesta, un unico radiocomando può gestire più dispositivi diversi.

• **RADIO CONTROL:**

*Each individual device can be controlled via a radio remote control.*

*On request, a single remote control can manage several different devices.*

• **APP SU SMARTPHONE O TABLET:**

MASIERO ha sviluppato una **APP** disponibile per **sistemi IOS e Android** che, con un'interfaccia semplice ed intuitiva, permette di gestire un numero infinito di dispositivi, contemporaneamente oppure singolarmente.

• **APP ON SMARTPHONE OR TABLET:**

*MASIERO has developed an **APP** for **IOS** and **Android** systems with a simple, intuitive interface to allow an infinite number of devices to be controlled together or individually.*

RADIO CONNECTION WITH  
REMOTE CONTROL

*(Per versione DW e RGB-W)  
(For DW and RGB-W version)*

WI-FI CONNECTION WITH  
"MASIERO SMART LIGHT" APP

*(Solo per versione RGB-W)  
(Only for RGB-W version)*

DMX CONNECTION WITH  
DOMOTIC NET

*(Per versione DW e RGB-W)  
(For DW and RGB-W version)*

## CE

Attesta la conformità del prodotto alle disposizioni delle Direttive comunitarie.

It certifies the conformity of the products to the European Commuinity provisions.

Konformität des Produktes mit den Richtlinien der europäischen Gemeinschaft.

Certifica la conformidad del producto según las disposiciones de las directivas comunitarias.

Il atteste la conformité du produit aux dispositions des directives communitaires.

**Настоящим подтверждается соответствие продукции положениям директив ЕС.**

CE标记是指产品的制造商证明该产品符合适用的EC指令的所有基本要求。

**يُشهد بمطابقة المنتج لأحكام توجيهات الاتحاد الأوروبي.**

Il logo “ETL” si riferisce agli articoli che possono essere modificati con componenti certificati ETL. L’elenco degli articoli ETL si riferisce a prodotti testati e valutati in base agli standard di sicurezza del mercato statunitense. Per il mercato USA fare riferimento al listino dedicato.

“ETL” logos refers to articles which can be modified with ETL- compliance components. The “ETL” listing articles stands for tested and evaluated product to recognised US safety standards. For the US market, refer to the relevant price list.

Das “ETL”-Logo bezieht sich auf Artikel, die mit ETL-zertifizierten Komponenten modifiziert werden können.

Die Liste der ETL-Artikel bezieht sich auf Produkte, die nach den Sicherheitsstandards des US-Marktes getestet und bewertet wurden. Für den US-Markt beachten Sie bitte die entsprechende Preisliste.

El logo “ETL” indica los artículos, que pueden modificarse con componentes certificados ETL. La lista de los artículos ETL se refiere a los productos sometidos a prueba y evaluados en función de los estándares de seguridad del mercado estadounidense. Consultar la lista de precios específica para el mercado de los Estados Unidos.

“ETL” logo se réfère aux articles qui peuvent être modifiées par des composants certifiés ETL. la liste des articles ETL se réfère à des produits testés et évalués selon les normes de sécurité du marché américain. Pour le marché américain se référer à la liste des prix.

Логотип «ETL» относится к элементам, которые могут быть модифицированы с помощью сертифицированных ETL компонентов. Список элементов ETL относится к продукции, протестированной и оцененной в соответствии с признанными стандартами безопасности США. Для потребителей находящихся в США см. соответствующий прайс-лист.

“ETL” 徽标是指可以使用ETL认证的组件进行修改的项目。 ETL项目列表是指根据美国市场的安全标准进行测试和评估的产品。 对于美国市场,请参考美国市场价格表。

يشير شعار "ETL" إلى المنتجات التي يمكن تعديلها باستخدام مكونات مُعتمدة من ETL. تشير قائمة منتجات ETL إلى المنتجات التي تم اختبارها وتقييمها وفقًا لمعايير السلامة في السوق الأمريكي. بالنسبة لسوق الولايات المتحدة الأمريكية، يُرجى الرجوع إلى قائمة الأسعار المُخصصة.

## CCC

CCC sta per China Compulsory Certificate, una certificazione di prodotto obbligatoria richiesta per determinati prodotti destinati al mercato cinese.

CCC stands for China Compulsory Certificate, a mandatory product certification required for certain products meant to the Chinese market.

CCC steht für China Compulsory Certificate, eine obligatorische Produktzertifizierung, die für bestimmte Produkte erforderlich ist, die für den chinesischen Markt bestimmt sind.

CCC significa China Compulsory Certificate, una certificación de producto obligatoria requerida para ciertos productos destinados al mercado chino.

CCC signifie China Compulsory Certificate, une certification de produit obligatoire requise pour certains produits destinés au marché chinois.

**ССС расшифровывается как China Compulsory Certificate, обязательная сертификация необходимая для определенных продуктов, предназначенных для внутреннего рынка Китая.**

认证的全称为“中国强制性产品认证”，英文名称China Compulsory Certification, 英文缩写CCC。这种认证是针对某些面向中国市场的产品所必需的强制性产品认证。

**يرمز CCC إلى الشهادة الإلزامية الصينية، وهي شهادة اعتماد منتج إلزامية مطلوبة لبعض المنتجات المخصصة للسوق الصينية**

## IECEE

Lo schema IECEE CB è un sistema internazionale per l’accettazione reciproca di rapporti di prova e certificati relativi alla sicurezza di componenti, apparecchiature e prodotti elettrici ed elettronici operative e dei prodotti sulla base di un accordo multilaterale tra i paesi partecipanti e gli organismi di certificazione.

IECEE CB is an international system for the mutual acceptance of test reports and certificates of the safety of components, operational electrical and electronic equipment and products on the basis of a multilateral agreement between participating countries and certification bodies.

Das IECEE CB Schema ist ein internationales System zur gegenseitigen Anerkennung von Testberichten und Zertifikaten bezüglich der Sicherheit von Komponenten, betriebsbereite elektrische und elektronische Geräte und Produkte auf der Grundlage eines multilateralen Abkommens zwischen teilnehmenden Ländern und Zertifizierungsstellen.

IECEE CB es un sistema internacional para la aceptación mutua de informes de ensayo y certificados de seguridad de componentes, equipos y productos eléctricos y electrónicos operativos y de productos, sobre la base de un acuerdo multilateral entre los países participantes y los organismos de certificación.

Le système IECEE CB est un système international d’acceptation mutuelle des rapports d’essai et des certificats de sécurité des composants, équipements et produits électriques et électroniques opérationnels et des produits, sur la base d’un accord multilatéral entre les pays participants et les organismes de certification.

Schema IECEE CB rappresenta собой международную систему взаимного признания сертификатов и отчетов об испытаниях, касающихся безопасности электрических и электронных компонентов и оборудования, основанную на многостороннем соглашении между странами-участницами и органами по сертификации.

认证是电工产品测试证书互认体系（CB 体系）是国际电工委员会电工产品合格测试与认证组织。

مخطط IECEE CB هو نظام دولي للقبول المتبادل لتقارير الاختبار والاعتمادات المتعلقة بسلامة المكونات، والمعدات، والمنتجات الكهربائية والإلكترونية التشغيلية والمنتجات بناءً على اتفاقية متعددة الأطراف بين الدول المشاركة وهيئات الاعتماد.

### Masiero Atelier

## Im

Flusso luminoso nominale. L’indicazione si riferisce al valore in assenza di rifrazione, come dichiarato dal produttore del componente.

Nominal luminous flux. It refers to the value without any refraction, as declared by the component manufacturer.

Die Maßeinheit für den Lichtstrom. Die Angabe bezieht sich auf den Wert in der Abwesenheit von Brechung, wie vom Hersteller der Komponente angegeben.

Flujo luminoso nominal. La indicación se refiere al valor sin refracción, como declarado por el fabricante del componente.

L’unité SI de flux lumineux. L’indication corresponds à la valeur en l’absence de réfraction, comme indiqué par le fabricant du composant.

**Номинальный световой поток. Указание относится к значению в отсутствие рефракции, как заявлено производителем компонентов.**

标称光通量。指示是指组件制造商声明的没有折射的值。

التدفق الضوئي الاسمي.يشير المؤشر إلى القيمة في حالة عدم وجود انكسار للضوء، كما هو مُعلن من قبل الشركة المصنعة للعنصر.

## TECHNICAL INFO

### CONDIZIONI COMMERCIALI DI MASIERO

#### 1 – PREMESSA

Salvo deroga risultante da apposito accordo scritto tra le parti, ogni compravendita di prodotti di Masiero S.r.l., P.IVA 01244610265 (di seguito: “Masiero”) è regolata dalle seguenti Condizioni Generali di Vendita che costituiscono parte essenziale del contratto e che si intendono pertanto accettate dal Compratore ancorché dallo stesso non sottoscritte. Qualsiasi clausola unilateralmente apposta dal Compratore nei documenti da lui sottoscritti e/o nella sua corrispondenza, che sia contraria o comunque in aggiunta alle seguenti condizioni generali od a quelle speciali espressamente approvate per iscritto dal Venditore, si intende come non scritta ed è priva di ogni effetto.

#### 2 – CONDIZIONI DI COMPRAVENDITA

##### 2.1 PERFEZIONAMENTO

La compravendita si intende perfezionata con la conferma d’ordine scritta del Venditore anche a mezzo fax e/o posta elettronica o con l’inizio delle consegne per i casi in cui è stata richiesta l’immediata consegna della fornitura anche in presenza di modifiche intervenute e quindi accettate dal cliente.

##### 2.2 PRODOTTI

Eventuali informazioni o dati sulle caratteristiche e/o specifiche tecniche dei prodotti contenute in deplians, listini prezzi, cataloghi e/o documenti similari, saranno vincolanti solo nella misura in cui, gli stessi, siano stati espressamente richiamati dal contratto.

Il venditore si riserva il diritto di apportare ai prezzi o alle caratteristiche dei prodotti qualsiasi modifica che dovesse risultare necessaria ed opportuna

##### 2.3 PREZZI

I prezzi indicati si riferiscono sempre al singolo prodotto. La fornitura avviene sempre ai prezzi indicati nel Listino ed alle condizioni commerciali in vigore alla data della conferma d’ordine.

Il listino prezzi pubblicato annualmente sostituisce es annulla qualsiasi listino precedente.

I prezzi concordati si intendono per prodotti consegnati franco stabilimento del Venditore e non comprendono prestazioni ed oneri accessori (quali, a titolo esemplificativo, IVA, imballo speciale, spese di trasporto, di installazione e/o montaggi e così via).

Il costo dell’imballaggio è compreso nel prezzo . Per eventuali imballaggi speciali si potrà provvedere solamente su espressa richiesta del Compratore e a sue spese.

##### 2.4 RISERVA DI PROPRIETÀ

Il Compratore acquista la proprietà della merce solo con il pagamento integrale del prezzo fatturato delle forniture ma ne assume i rischi dal momento della consegna.

#### 3 - CONDIZIONI DI CONSEGNA

##### 3.1 CONSEGNA

La merce viene consegnata al Compratore presso lo stabilimento del Venditore o in altro sito dallo stesso indicato per iscritto.

##### 3.2 RISCHIO

Il trasferimento del rischio avviene con la consegna della stessa al primo vettore o al Compratore nelle ipotesi di ritiro della merce da quest’ultimo direttamente eseguita. La merce viaggia sempre a rischio esclusivo del Compratore anche quando il vettore dovesse essere scelto ed incaricato dal Venditore, essendo quest’ultimo liberato da ogni responsabilità con la consegna dei prodotti al vettore, che ad ogni effetto si intende eseguita a mani dallo stesso Compratore.

##### 3.3 TEMPI DI CONSEGNA

I termini di consegna pattuiti si intendono indicativi. In caso di ritardo nella consegna imputabile al Venditore per un periodo fino a 60 gg il Compratore non ha il diritto di rifiutare la fornitura, né di richiedere la risoluzione del contratto e/o il risarcimento di alcun danno.

Se il ritardo nella consegna supera il termine di 60 gg il Compratore ha la facoltà di richiedere – con lettera raccomandata – l’annullamento dell’ordine e la restituzione degli anticipi eventualmente versati. Resta in ogni caso escluso qualsivoglia obbligo del Venditore di risarcimento danni diretti e/o indiretti di qualsiasi natura e per qualsiasi ragione, in dipendenza del ritardo ovvero della mancata esecuzione della fornitura.

##### 3.4 OBBLIGHI DEL COMPRATORE

Il Compratore è tenuto a prendere immediatamente in consegna i prodotti affidati dal Venditore al vettore, ovvero – se diversamente concordato – a puntualmente ritirarli presso lo stabilimento del Venditore alla data di comunicazione di merce pronta che potrà avvenire con ogni mezzo da parte del Venditore.

Ove il Compratore ritardi il ritiro dei prodotti per un periodo superiore a 10 gg, oltre al pagamento del prezzo deve corrispondere al Venditore un adeguato compenso pari al 2% al giorno dell’importo fatturato per il magazzinaggio degli stessi.

#### 4 - CARATTERISTICHE E UTILIZZO DEI PRODOTTI

Salvo diverso ed espresso accordo scritto tra le parti, i parametri funzionali dei prodotti sono quelli espressi comunicati o comunque risultanti nei disegni e specifiche tecniche del Venditore se esistenti.

I livelli di qualità dei prodotti forniti sono quelli standard del Venditore, evidenziati nelle relative specifiche. E’ onere del Compratore individuare e comunicare al Venditore le condizioni di utilizzo dei prodotti prima della relativa definizione tecnica. In mancanza di indicazioni da parte del Compratore il Venditore considera condizioni di utilizzo quelle di prassi dallo stesso considerate o esplicitate nei propri disegni e documentazione tecnica.

#### 5 - PRODOTTI SPECIALI

La realizzazione di prodotti speciali, con parametri funzionali, dimensionali, decorativi, elettrici, etc differenti rispetto a quanto riportato nelle schede tecniche di ogni prodotti, dovrà essere approvata da Masiero in relazione alla fattibilità e sarà soggetta a quotazione specifica. La realizzazione di piccole modifiche sulle parte decorativa (ovvero, in via del tutto esemplificativa, finitura dei telai, composizione della pendaglieria, etc) sarà soggetta ad una maggiorazione di prezzo pari all’8% rispetto al prezzo dell’articolo come indicato nel listino prezzi in vigore.

#### 6 - GARANZIE

I prodotti forniti sono coperti da garanzia per difetti di materiale e/o fabbricazione per un periodo di 24 mesi dalla consegna.

Eventuali difettosità o non conformità dei prodotti devono essere segnalate dal Compratore per iscritto al Venditore – a pena di decadenza – entro e non oltre 8 gg dalla data di ricevimento della merce; eventuali difetti occulti devono essere segnalati dal Compratore per iscritto al Venditore – sempre a pena di decadenza- entro 8 gg dalla relativa scoperta.

Il Venditore sostituisce i prodotti resi in detto periodo di garanzia e riconosciuti difettosi per vizi d’origine ovvero in alternativa ed a sua scelta accredita al Compratore una somma pari al prezzo già fatturato dei prodotti stessi, restando espressamente escluso e rinunciato qualsiasi diverso diritto o pretesa del Compratore anche a titolo di risarcimento danni diretti e/o indiretti o di rimborso di costi dallo stesso sostenuti (quali, a titolo esemplificativo costo di riprese, di assistenza tecnica, di richiamo, ecc.).

La garanzia non opera ove i difetti rilevati siano imputabili a negligenza del Compratore e/o ad impiego dei prodotti non conforme con le informazioni e le spiegazioni in ogni caso fornite dal Venditore, alle prescrizioni tecniche, ad errata progettazione, applicazione, montaggio o fabbricazione delle strutture ove sono installati, ad errata manutenzione operata da personale non autorizzato, a pulizia impropria in quanto effettuata con modalità o materiali non idonei, ad errato magazzinaggio, movimentazione e trasporto, ad uso improprio od incauto, anche in caso di impianto elettrico e portata dello stesso non idonea, ovvero a circostanze che comunque non possono ricollegarsi a difettosità di produzione da parte del Venditore.

#### 7 – CONDIZIONI DI PAGAMENTO

Il compratore deve effettuare i pagamenti normalmente con le modalità e nei termini precisati in fattura

Salvo diverso accordo, eventuali spese o commissioni bancarie dovute in relazione al pagamento saranno a carico del Compratore.

Sui ritardati pagamenti decorreranno, di pieno diritto e senza necessità di costituzione in mora, gli interessi di cui al D.lgs. n. 231/2002.

In caso di ritardo dei pagamenti il Venditore ha diritto a sospendere immediatamente ogni fornitura, anche se dipendente da altri contratti con lo stesso Compratore. Il mancato pagamento nei termini pattuiti comporta in ogni caso la decadenza del Compratore dal beneficio del termine.

#### 8 - FORZA MAGGIORE

Qualora il Venditore sia impossibilitato a rispettare il contratto per cause di forza maggiore o comunque indipendenti dalla sua volontà, i termini previsti per l’esecuzione della fornitura sono automaticamente prorogati per un periodo equivalente al perdurare degli effetti di tali cause. Qualora la causa impeditiva continui per più di 6 mesi entrambe le parti possono chiedere la risoluzione del contratto ed in tal caso il Venditore restituisce al Compratore gli anticipi eventualmente ricevuti, con esclusione di ogni e qualsiasi onere ulteriore a suo carico.

#### 9 - CONTROVERSIE

Il foro esclusivamente competente sarà quello di Treviso con esplicita esclusione di ogni altro foro alternativamente competente, e la legge applicabile quella italiana.

#### 10 - PRIVACY

Le parti contraenti, ai sensi del D.Lgs. 30 giugno 2003, n. 196, dichiarano di procedere al trattamento dei dati personali per le finalità inerenti all’esecuzione del presente contratto e all’adempimento degli obblighi legali e contrattuali dallo stesso derivanti.

# TECHNICAL INFO

## MASIERO SALES TERMS

### 1 – RECITAL

Unless otherwise provided for in a separate written agreement between the parties, every sale of products of MASIERO S.r.l., VAT 01244610265 (hereinafter, “Masiero”) is governed by the following General Conditions of Sale that must be considered as an essential part of this agreement and shall be deemed to have been accepted by the Buyer even though the latter has not signed them. Any clause unilaterally added by the Buyer in the documentation signed by it and/or in its correspondence, being against or in any case in addition to the general conditions or to those specific expressly approved in writing by the Seller, shall be deemed as not written and shall be of no effect.

### 2 – SELLING TERMS

#### 2.1 COMPLETION OF THE SALE

The sale is deemed to be completed once the Seller gives the written order confirmation also by fax and/or email or when deliveries are commenced in cases where the immediate delivery of the supply is requested, also in consideration of changes occurred and then accepted by the customer.

#### 2.2 PRODUCT CHARACTERISTICS

Any information or data on the characteristics and/or technical specifications of the products contained in leaflets, price lists, catalogues or similar documents shall be binding only to the extent that that data was expressly referred to within the contract.

The Seller reserves the right at any time to remove and/or alter the products from what shown, or to make price alteration to the same.

#### 2.3 PRICES

The prices indicated always refer to the individual product. The supply always occurs at the price identified in the list and under the commercial terms in place at the date of the order confirmation.

The pricelist published annually replaces and cancels out any previous list.

The prices agreed are understood for products delivered ex works of the Seller and do not include services and accessory charges (such as VAT, special packaging, transport and installation costs, and/or assemblages and so on).

Packaging costs are included in the price; any special packaging requirements shall be met only at the express request of the buyer and at its expense.

#### 2.4 RESERVATION OF TITLE

The Buyer acquires property rights over the goods with the full payment of the price invoiced of the supplies but it takes the risks thereof as of the delivery.

### 3 – DELIVERY TERMS

#### 3.1 DELIVERY

Products are delivered to the Buyer at the Seller’s plant or at another place indicated in writing by the Seller.

#### 3.2 RISK TRANSFER

the risk transfer takes place with the delivery of the goods to the first carrier or Buyer in the events of collection of goods directly carried out by the latter. The products always travel at the Buyer’s sole risk also when the carrier is selected and appointed by the Seller, being the latter freed from all responsibilities after having delivered the products to the carrier, this delivery is deemed to all effects being carried out directly by the said Buyer.

#### 3.3 DELIVERY TERMS

The delivery terms agreed are to be understood as indicative. If the Seller is responsible for delay of delivery for a period of up to 60 days, the Buyer is not entitled either to refuse the supply or to request the termination of the agreement and/or the compensation for any damages.

If the delay in delivery exceeds 60 days, the Buyer is entitled to request – by registered letter- the cancellation of the order and the reimbursement of the advances if paid. In any event, the Seller shall not be liable for and/or direct and indirect damages of any nature and for any reason due to the delay or the failure to carry out the supply.

#### 3.4 BUYER’S OBLIGATIONS

The Buyer is required to immediately take delivery of the goods given by the Seller to the carrier, or – where otherwise agreed – to timely collect them at the Seller’s plant on the date on which the Seller communicates, by any means, that the goods are ready.

Where the Buyer delays the collection of the goods for a period exceeding 10 days, in addition to the payment of price it shall pay the Seller a proper compensation equal to 2%per day of the price invoiced for storing such products.

### 4 - PRODUCTS FEATURES AND CONDITION OF USE

Unless otherwise expressly agreed in writing by the parties, the conditions for using of the products are those communicated or in any case resulting from the drawings and technical specifications of the Seller, if any. The quality levels of products are the standard quality levels of the Sellers, indicated in the relevant specifications. It is always the Buyer’s responsibility to identify and notify the Seller of the conditions of use of products before technically defining them. Failing any particular instructions from the Buyer, the Seller considers as usual conditions of use those it considered or described in its designs and technical documentation.

### 5 - CUSTOMIZED PRODUCTS

The production of special items, with functional, dimensional, decorative, and electrical features that are different from what indicated in the product technical sheet, must be approved by Masiero.

The approval will depend on product feasibility and shall entail a specific quotation.

An 8% surcharge shall be charged for changes to the decorative parts of the products (such as frame finishing, composition of pendant trimmings, etc.).

### 6 - WARRANTIES

The products delivered are covered by a warranty for defects in material and manufacture for a period of 24 months as of the delivery.

Any defectiveness or non-compliance of products shall be reported by the Buyer by writing to the Seller – in order to be valid – within 8 days from receipt of goods; any hidden defects shall be reported by the Buyer by writing to the Seller – always in order to be valid - within 8 days as of the relevant discovery.

The Seller shall replace the products delivered in this warranty period being faulty due to factory defects or in alternative, at its discretion, pay the Buyer an amount equal to the price already invoiced of the said products, being expressly excluded and waived any other right or claim by the Buyer also as compensation for direct and/or indirect damages or cost repayment borne by it (such as recovery, technical assistance, recalling costs, etc.).

The warranty does not apply where the defects identified are due to the Buyer’s negligence and/or to the use of products being not compliant with the information and explanations in any case gave by the Seller, technical provisions, to incorrect design, application, assembly or manufacture of the facilities in which they are installed, to incorrect maintenance carried out by unauthorized personnel, to improper cleaning since it is made with materials and manners being not suitable, to incorrect storage, handling and transport, to improper or imprudent use, also in the event of electrical system and its capacity being not suitable, or to circumstances that in any case cannot be related to the production defectiveness by the Seller.

### 7 – PAYMENT CONDITIONS

The Buyer shall carry out the payments normally, in accordance with the terms and conditions specified in the invoice. Any bank charges or fees owed in relation to the payment shall be borne by the Buyer.

For late payments it will be accrued by default without need of further notification interest under Legislative Decree no. 231/2002.

In the event of payment delays, the Seller is entitled to immediately suspend any supply, even though it has concluded other agreements with the same Buyer. The failure to pay within the terms agreed will cause in any event the loss of favourable terms for the Buyer.

### 8 - FORCE MAJEURE

If the Seller is unable to comply with the agreement due to force majeure or beyond its control events, the deadlines set for the supply are automatically extended for a period in which these effects continue. Where the obstacle to comply with the agreement is longer than 6 months, both parties may request the termination of the agreement and, in such event, the Seller repay the Buyer the advances received, if any, releasing itself from any additional obligation on it.

### 9 - DISPUTES

The Court of Treviso shall be held exclusively competent, being any other court of competent jurisdiction expressly excluded, and the Italian Law shall be applicable.

### 10 - PRIVACY

Contracting parties, pursuant to D.Lgs. 30 giugno 2003, n.196, will process personal data for purposes related to the implementation of this contract and to the fulfillment of resulting legal and commercial obligations.
